# il marchio/ the brand

**G**iovane e moderno, il brand è nato nel 2003 dall'esperienza di M&Z, azienda solida e di lunga tradizione, fondata nel 1973. Fin dalla nascita M&Z ha concentrato le proprie energie sulla qualità e sull'eccellenza, mirando a una crescita focalizzata sull'innovazione. La sede produttiva e amministrativa è a Bolzano Novarese, cuore del distretto della rubinetteria. Con un totale di quasi 250 dipendenti M&Z è una delle migliori aziende italiane nella rubinetteria e il suo marchio è registrato in Europa, nell'Europa dell'est, in Cina, Hong Kong, Thailandia, e Singapore.

**T**his young and modern brand was launched in 2003 by the well-established company, M&Z, in business since 1973. From the very beginning, M&Z has focused on providing its customers with superbly manufactured, high-quality products, and has aimed at a commercial growth based on a strong reputation for innovation. The manufacturing plant and main offices are in Bolzano Novarese, at the centre of an area known for faucet manufacturing. M&Z currently employs just under 250 people and is considered one of the most prominent Italian tap manufacturers. Its brand has been registered in both Western and Eastern Europe, China, Hong Kong, Thailand and Singapore.

# L'immagine/ brand image

L'incessante ricerca dell'innovazione, insieme alla tendenza verso un'estetica contemporanea e accattivante, accompagnano il lavoro dell'équipe di progetto e di comunicazione. Oggi M&Z si presenta nell'allestimento come nella grafica in una veste architettonica rigorosa e funzionale dall'immagine fortemente caratterizzata.  
Parole chiave: tecnologia, innovazione, design, solidità, espresse con l'utilizzo di forme, materiali, finiture.

Constant research into innovative solutions, combined with a keen eye for exciting contemporary designs, are at the heart of the planning and communications team. Today, M&Z presents a strong and function-based product image to the public, through carefully designed product displays and graphics which have been created to focus attention on the items and provide the customer with an immediate "feel" for the brand.

Key words: technology, innovation, design, solidity, expressed through forms, materials, details.

# distribuzione/ brand retail

**N**el 2003 M&Z spa lancia sul mercato italiano il proprio brand, dando avvio ad una nuova pagina di storia. Da allora M&Z ha incrementato la propria presenza sia sul mercato italiano sia su quello internazionale grazie ad un costante impegno e ad un efficiente sistema espositivo modulare proponendo un'immagine coordinata del marchio. Strumento questo ideale per facilitare il compito di vendita del negoziante e per esporre i prodotti M&Z in modo coerente, mantenendo un'immagine tecnica, elegante, riconoscibile.

**I**n 2003, M&Z launched its own brand on the Italian market and began a new chapter in the story of the company. Since then, M&Z has been a growing presence in both national and international markets, thanks to its determination to create high quality products, effectively displayed in modular show-cases which offer a sleek, coordinated brand image. The display system is the perfect tool to facilitate sales in showrooms and shops, as it ensures that the line of products is presented to the public in a coordinated and thus recognisable manner, and one which highlights both its technical attributes and its elegance.

# certificazioni

**N**ell'ottobre 1999 M&Z spa si è certificata ISO 9001:2000 presso l'Ente di certificazione RINA da cui ha anche ottenuto il successivo rinnovo nel 2008 (certificato corrente n° 18838/08/S). Nell'ottica del continuo miglioramento M&Z spa si adopera per conservare un rapporto sempre più rispettoso con l'ambiente, prestando attenzione a temi come il riciclo dei materiali utilizzati, il risparmio energetico, e la costante tenuta in efficienza dei macchinari produttivi.

*In October 1999, M&Z spa was awarded the quality standard certificate ISO 9001:2000 by the RINA certification board, renewing it again in 2008 (present certificate no. 18838/08/S). With a view to continuing to mature as a company, M&Z spa is working hard to maintain production methods which are fully respectful of environmental issues, paying particular attention to recycling, energy saving and ensuring production machinery is regularly maintained in order to guarantee optimal, non-wasteful performance.*

# condizioni di vendita

## 1. Ordinazioni.

Le presenti condizioni di vendita e di consegna si intendono integralmente accettate dal Committente con il conferimento dell'ordine e con il ritiro dei materiali.

## 2. Accettazione di ordine.

Gli ordini conferitici direttamente o per tramite di nostri rappresentanti o agenti sono subordinati alla nostra accettazione.

## 3. Condizioni di consegna.

Il termine di consegna ha valore semplicemente informativo e non impegnativo essendo subordinato ad eventuali imprevisti. I casi di forza maggiore quali contingentamenti, scioperi, mancanza di trasporti, ecc. ci dispensano dall'obbligo di mantenere i termini di consegna: il Committente non potrà esigere risarcimenti dovuti a danni di qualsiasi natura. Le spedizioni vengono effettuate con il mezzo ritenuto da noi più idoneo sempre che il Cliente non esprima la propria preferenza. La merce viaggia a rischio e pericolo del Committente. Il destinatario è tenuto a controllare la merce all'arrivo e contestare eventuali danni direttamente al vettore anche quando la merce è recapitata in porto franco.

## 4. Condizioni di resa.

La merce è resa franco nostro magazzino, e comunque in conformità con le condizioni riportate sulla conferma d'ordine.

## 5. Prezzi.

I prezzi sono in euro e possono essere variati senza alcun preavviso; si intendono riferiti ai listini in vigore al momento della consegna.

## 6. Pagamenti.

I pagamenti devono essere effettuati direttamente alla Società presso la sua sede. Hanno effetto liberatorio solo i pagamenti in contanti. Ogni altra forma di pagamento (assegni di c/c, circolari, vaglia, cambiali, tratte, ecc.) resta a completo rischio, pericolo e spesa del Committente e, ove accettata, salvo buon fine. Le condizioni stabilite e la data di pagamento in fattura assumono carattere di condizione essenziale; qualsiasi ritardo imputabile al Committente o qualsiasi contestazione sorgesse fra le parti, anche relativamente alle garanzie concesse, non produrrà alcun prolungamento o modifica nei termini dei pagamenti convenuti ed ogni azione ed eccezione del compratore non sarà ritenuta procedibile, se lo stesso non proverà di essere in regola con i pagamenti. Sui

pagamenti non effettuati alla scadenza e previa messa in mora comunicata da M&Z a mezzo lettera raccomandata, decorreranno gli interessi di mora nella misura stabilita dal D.Lgs 231/2002-Art.5-(tasso BCE maggiorato di 7 punti percentuali) ed inoltre M&Z Rubinetterie S.p.A. avrà il diritto di sospendere ogni altra consegna senza necessità di preavviso, ritenendo annullato, per colpa della ditta acquirente, l'ordine in corso per la parte non ancora consegnata; è fatto salvo il risarcimento dei danni.

## 7. Ordinazioni fuori catalogo.

Le ordinazioni riguardanti produzioni o modifiche fuori catalogo, se accettate, verranno eseguite strettamente in base alla conferma d'ordine con l'indicazione del prezzo, modalità di consegna, modalità di pagamento.

## 8. Imballaggio.

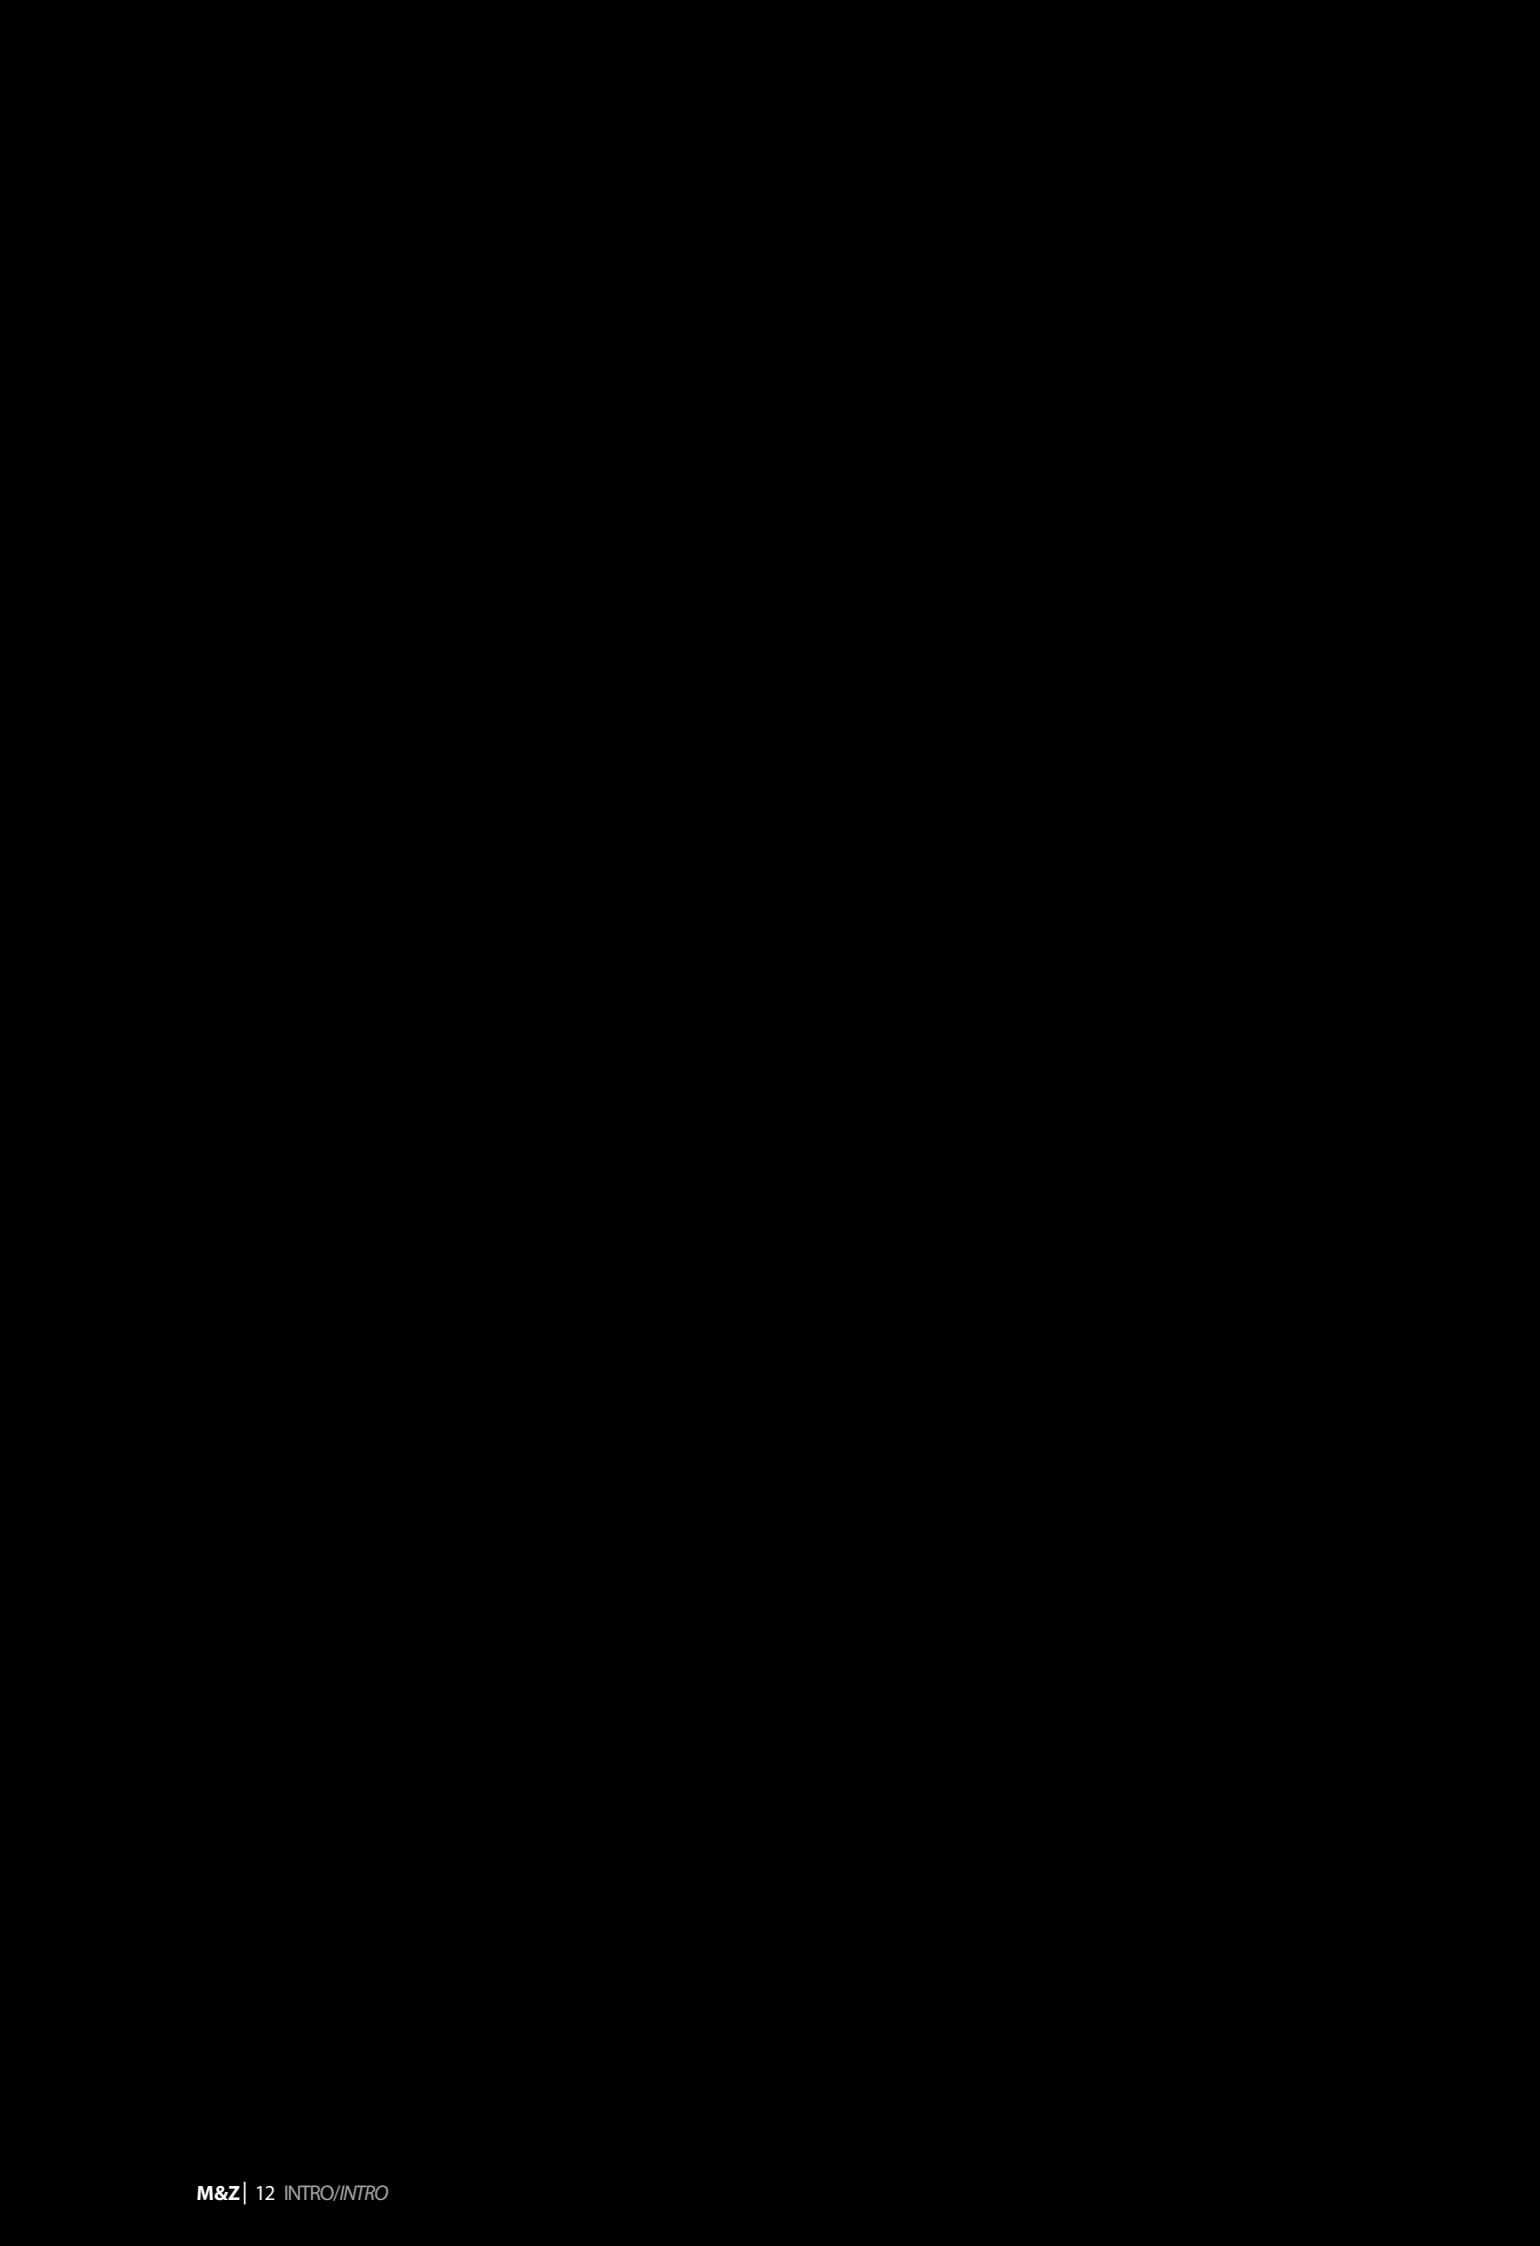

L'imballaggio viene effettuato con imballi specifici. L'imballaggio standard è compreso nel costo del prodotto. Imballaggi speciali, pallets, gabbie, ecc. saranno addebitati al Committente al costo.

## 9. Garanzia.

Tutti i materiali vengono scrupolosamente provati e collaudati. M&Z Rubinetterie S.p.A. non garantisce per l'impiego errato o inadatto della merce fornita e pertanto nessuna responsabilità potrà esserne attribuita a qualsiasi titolo e nessun indennizzo potrà essere richiesto. Qualora il materiale risultasse accidentalmente difettoso per vizi di fabbricazione riconosciuti a seguito di accertamenti tecnici, M&Z Rubinetterie S.p.A. si riserva di sostituirlo o di accreditarne il valore, qualora ritenga più conveniente procedere alla sua distruzione in loco. Viene declinata ogni responsabilità per danni accertati ad altro titolo. La merce in contestazione deve essere resa a M&Z in porto franco. Il periodo di garanzia salvo diversa indicazione scritta, è di mesi 24 dalla data di installazione.

## 10. Reclami.

Non si accettano reclami di nessun genere trascorsi 8 giorni dal ricevimento della merce. Eventuali reclami dovranno essere fatti a mezzo lettera raccomandata entro tale termine.

## news2010/11 New Geometry

New Geometry rappresenta la prima novità dell'anno 2010/2011. Uno stile solido dalle linee pulite ed essenziali che prediligono un design rigoroso e allo stesso tempo funzionale. Caratteristica predominante è la sua forma squadrata e marcata che contribuisce a farne un prodotto di tendenza ed innovativo. Design: Studio Terri Pecora.

New Geometry is the first new release of the year 2010/2011. A solid style with clean, essential lines which speak of functionality and purity of design. The main feature is a decidedly squared form which bestows on the series a very contemporary and innovative feel. Design: Studio Terri Pecora

news2010/11  
**Acqua-Soft**

**A**cqua Soft è la seconda linea proposta nel 2010/2011 da M&Z. Rivisitazione dell'originale High Tide, si presenta come una collezione completa dalla linee morbide. Forme essenziali e pulite evidenziate da curve arrotondate sono le caratteristiche principali di un prodotto altamente tecnologico. Design: Studio Terri Pecora.

**A**cqua Soft is the second line in the M&Z 2010/2011 collection. A revisited version of High Tide, this collection is characterised by gently flowing lines, Simplicity and purity of design, highlighted by gentle curves – these are the most striking elements of this high-tech product. Design: Studio Terri Pecora.

M&Z presenta tra le news SPA: "l'erede" della linea Breeze. Caratterizzata dalla forma solida e dalla tecnologia già presenti in Breeze, SPA ne differisce per la nuova leva ancora più in armonia con le linee base del prodotto. Un restyling accurato per far fronte alle crescenti necessità del mercato.

Design: Studio Terri Pecora.

M&Z makes headlines with the announcement of the "heir" of the Breeze line : SPA  
The solidity and hi-tech which characterised Breeze are still present, but now in even greater harmony with the base lines of the product for today's generation. A careful restyling made-to-measure for an evolving market.

Design: Studio Terri Pecora.

Oro collections

Oltre ai classici colori proposti: Chrome, Architect coal, Architect artic, quest'anno M&Z propone la finitura Oro. Realizzata con tecnologie d'avanguardia, questa variante è rappresentativa di un ambiente lussuoso e raffinato. Il rubinetto diventa allo stesso tempo arredo ed elemento caratteristico di spazi materiali ed emozionali, garantendo non solo un eccellente risultato estetico ma anche massima qualità.

The classic colour options of Chrome, Architect coal, Architect artic are enriched by the addition of Gold. Avantgarde technologies have been applied to produce a new coloration for the more elegant, sophisticated bathrooms. The faucet becomes both an evocative decorative element and a functional one, providing a focus of attention in the bathroom – one of great beauty and of high quality.

# alimatha

Alimatha rappresenta una modernità suggestiva ed evocativa, elaborata in un linguaggio caratterizzato da intensità, precisione e rigore.

Il metallo è interpretato quasi come un'astrazione, per un'immagine rarefatta ma fortemente significativa.

*Alimatha represents modernity with rigorous character.  
The metal is used to create abstract shapes seemingly  
sculpted from geometry to become a perfect counterpart to

# mz3

MZ3 è l'interpretazione del miscelatore in chiave moderna, sviluppata con un linguaggio progettuale che punta su forme rigorose e geometriche, con un'immagine e una funzionalità capaci di essere sempre attuali.

*Accessible design for all is MZ3's slogan.  
Young, cool and informal, MZ3 is an easy-to-like and "basic"  
collection. With the rigor of its' square lines toned down  
with an almost imperceptible curve, it makes for a neutral  
and long-lasting design classic.*

# teo

Forte ed essenziale, Teo è la nuova serie di M&Z  
dalle forme plastiche e dalla linea aerodinamica.  
È l'inedita reinterpretazione di forme dal sapore retrò che  
guardano al futuro.  
Una scultura dai tratti decisi e fortemente estetici.

*Futuristic yet very essential, Teo is M&Z's latest series.  
Although its form is aerodynamic and spirited,  
Teo follows the minimalist guidelines required by today's  
design oriented market.  
Guaranteed to excite and to draw attention.*

# mz/75

Un design finalmente accessibile a tutti.  
Giovane e dinamico, fresco e informale, MZ.75 rappresenta  
una nuova interpretazione del rubinetto basic, con una  
linea creativa, inconsueta, inedita.  
Una piccola scultura nel tuo bagno.

*MZ75 is a smaller version of the iconic MZ1.  
An interpretation of the classic mixer, with a twist: rigorous  
and geometric yet an easily adaptable style thanks to  
its' sculpted contours.

# edos

Stile retrò reinterpretato in chiave moderna.  
Linee semplici, pulite, nette. Edos rappresenta l'equilibrio e  
la pulizia; un oggetto dalle linee arrotondate che con  
le sue forme si adatta a qualsiasi ambiente.

Retrò style revisited with a modern touch.  
Essential, clean-cut and decisive lines.  
Edos represents balance and cleanliness. Its curving lines  
create shapes, which will easily adapt to any environment.

Tecnologia e dinamismo.  
L'estetica meccanica di Quasar sembra quasi collegarsi  
all'aerodinamicità del mondo automobilistico.  
La tecnologia del termostatico si esprime in Quasar  
con forme grintose e decise.

*Technology and dynamics.  
Quasar's mechanical aesthetics and functionality recall the  
world of car design and aerodynamics. The technology of the

# doccia/ showers

Pulizia delle linee e varietà definiscono le soluzioni M&Z per il mondo doccia. Il panorama doccia è suddiviso in cinque differenti categorie tecnico-formali: Thermostatics, che propone soluzioni termostatiche all'avanguardia; Zero, accessori doccia dai profili curvilinei e allungati; Corner, dalle forme squadrate, nette, essenziali; Radius, con geometrie semplici, arrotondate, pulite; Evergreen, classici interpretati secondo un'eleganza contemporanea e senza tempo.

Clean lines and a wide range of products for the shower. M&Z offer five different categories of forms and shower-types: Thermostatics, with its avantgarde temperature regulating system; Zero, elegantly elongated, curved forms for a range of accessories; Corner, chunky squared lines for essentialism in the bathroom; Radius, simple geometric shapes, rounded corners, purity of design; Evergreen, modern concepts of elegance transform classic forms into timelessly stylish beauty.

# thermoset

Esperienza e innovazione.  
Tutto il sapiente background tecnologico e produttivo  
di M&Z nel settore dei termostatici è racchiuso in questa  
categoria del mondo doccia. In Thermoset forma e  
funzione si fondono in una lega indissociabile.

*Innovation and experience.  
The entire technological background of M&Z in the shower  
thermo sets field is encompassed in this line of products.

# zero-accessori

Un ovale è il delicato motivo che lega gli elementi della collezione Zero-accessori. Geometrie fluide e leggere propongono una nuova estetica del mondo doccia, in un elemento aggraziato come una goccia d'acqua.

*An oval shape describes the Zero-accessori collection.  
Light and fluid geometrics suggest new aesthetics in the world  
of "showers", just like a stylized and graceful drop of water.*

# cucina/ kitchen

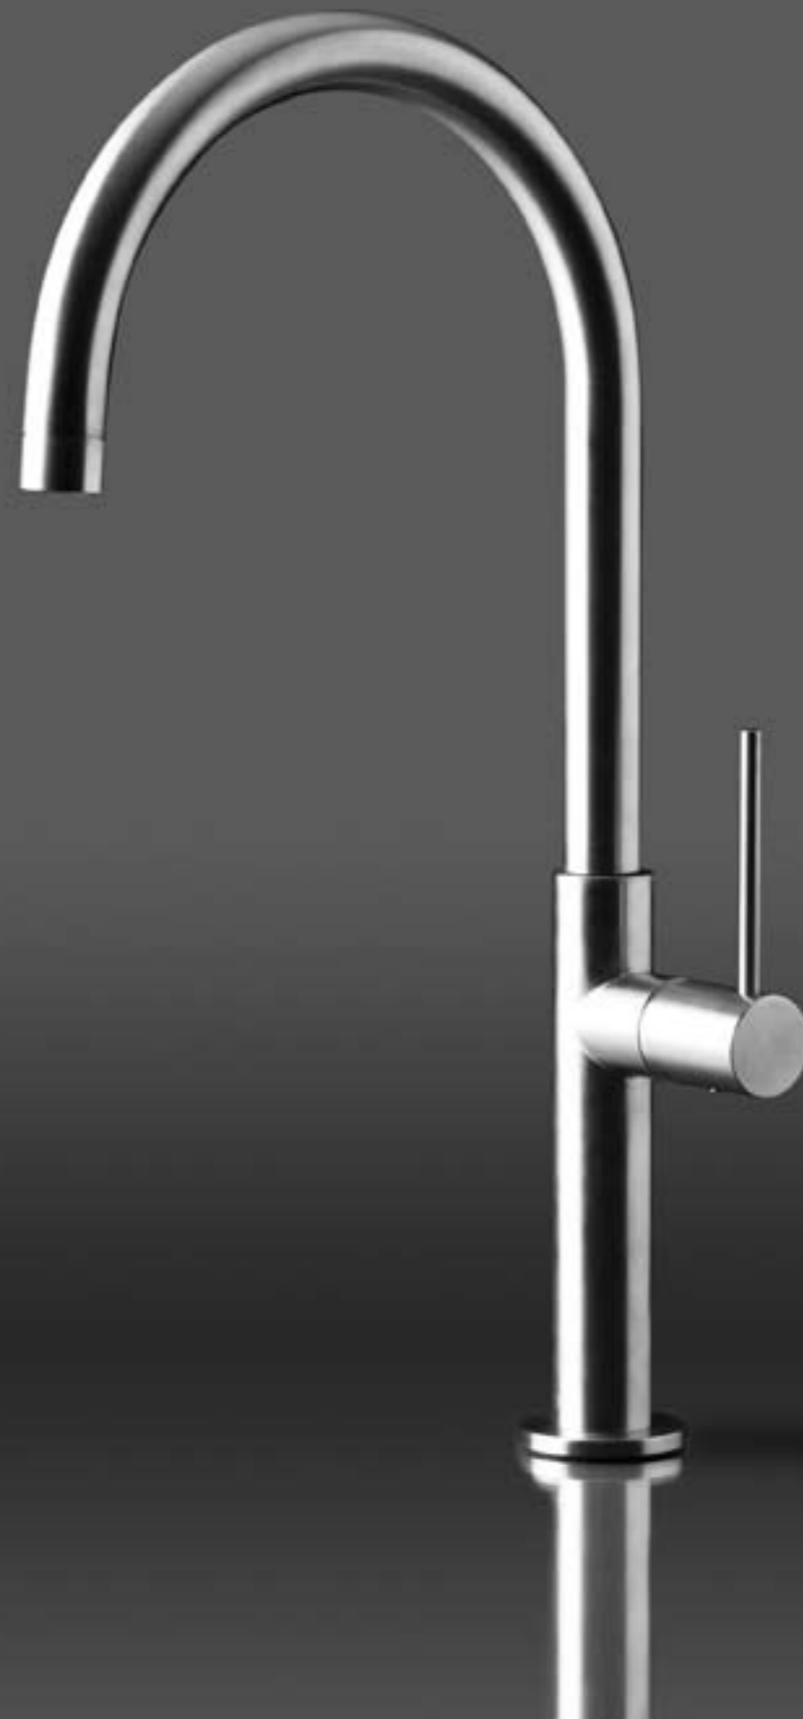

**N**ella collezione cucina le linee pulite ed essenziali prediligono funzionalità e flessibilità. L'offerta è diversificata in due categorie: Cucina, dalle geometrie semplici e fluide, realizzata nel classico ottone. Acciaio, punta su uno stile tecnico e su un effetto neutro e impeccabile con la complicità dell'acciaio, materiale qui predominante.

**C**lean lines and a no-frills approach for a kitchen which is both practical and flexible. Two main collections; Cucina, with simple, flowing lines, manufactured in classic brass. Acciaio pays more than just lip-service to high-tech with an ascetic neutrality in which steel has the leading role.

# cucina/kitchen

Raffinatezza essenziale.  
Cucina è un oggetto dalle linee semplici, tubolari.  
Caratterizzato dalla leggerezza delle forme, adattabile  
a tutti gli ambienti, sintetizza i concetti di razionalità  
ed equilibrio.

*Sophisticated and essential.  
Cucina has essential and tubular lines.  
Light shapes, suitable to any habitat, characterize it.  
A synthesis of rationality and balance.*

# espositori/displays

M&Z presenta il suo nuovo sistema espositivo. Moduli componibili in legno opaco, con basi in plexiglass, integrate nell'espositore o sfruttabili singolarmente come appoggio a bancone, per presentare i prodotti. Un mobile disponibile nelle versioni da parete o appoggio pavimento, mono o bi facciale, versatile e adattabile alle diverse esigenze di spazio di ogni cliente.

*M&Z introduces its new modular exhibit structure. The components of the modular structure are opaque black wood incorporating extractible dark Plexiglas bases. The display elements within the System can be composed in multiple groups or used singularly. They can be hung on the wall as well as positioned freestanding; they can display products double or single sided and are extremely versatile. The system has proven to be an effective visual tool, which can easily satisfy the needs of all clients.*

## MODULO A

Modulo componibile 200 x 35 mono o bi-facciale:  
strutture monofacciali predisposte per fissaggio a muro  
strutture bi-facciali munite di pedana d'appoggio.

*Single or double sided modular components 200 x 35 cm:  
single sided component predisposed for wall mounting  
free standing components include structural base.*
